2nd & 3rd August 2018

Pullman Reef Hotel Casino, Cairns

Highlights of the Forum
include:

Latest Technology
& Innovations

Research and Training

Industry Case Studies

Call for Papers

The 2018 Australian Aviation Wildlife Hazard Group (AAWHG) Forum will hold its biannual Forum on 2 & 3 August 2018 at the Pullman Reef Hotel Casino in Cairns, Queensland. (See aawhg.org for details)

The Forum aims to include all interested stakeholders, therefore, we are seeking abstracts from airlines, pilots, air traffic control, government agencies, airport operators, airside safety officers, or anyone else involved in management, regulation or policy related to the intersection of wildlife, aircraft and airports. Presentations detailing case studies or practical solutions to on- and off-airport wildlife management are encouraged; other wildlife-aviation related issues are also welcome.

Speaking at the conference provides you with an opportunity to showcase your program's achievements and to explore solutions to your wildlife management issues.

Submissions should include - title of paper, author/s name/s, position/s, and organisation/s. Abstracts should be no more than 300 words.

Selection Process - Please submit to MECCA Concepts Pty Ltd via email: meccaconcepts@bigpond.com

If there are multiple authors, please indicate name of the Presenter.

Submissions close 13 April 2018.

Call for Award Nominations

The Australian Aviation Wildlife Hazard Group wishes to recognise individuals and organisations for their innovative and effective implementation of aviation wildlife management strategies.

We invite nominations from airports (major and regional), airlines, industry organisations, government and individuals.

Selection Criteria:

Nominees will:

- Contribute positively to the industry in the field of wildlife risk mitigation;
- Demonstrate innovation or a novel application of wildlife hazard management techniques;
- Promote positive stakeholder engagement;
- Increase safety and environmental awareness.

Selection Process

Nominations should provide a half page summary (300 words or less) of the nominee's achievements along with contact details to the AAWHG Executive Committee. The summary must address the above selection criteria. Please submit to MECCA Concepts Pty Ltd via email: meccaconcepts@bigpond.com

Nominations close Monday 1 July 2018.

Selection Committee - the selection committee will be comprised of the AAWHG Executive members. The selection committee's decisions are final and no correspondence will be entered into regarding selection of award/commendation recipients.
